

# Memorandum

**Date:** 2 February 2015

*Rexnord Industries, LLC  
FlatTop North America  
1272 Dakota Drive  
P.O. Box 480  
Grafton, WI 53024-0480*

*(262) 376-4700  
(262) 376-4710 Fax*

**Subject:** FDA Status for Rex® LT Materials - Various Colors

To Whom It May Concern:

The Rex® Low Temperature LT (natural), WLT (white), and BLT (blue) materials, as supplied in Rexnord's MatTop® conveyor chains and buckets, comply with the US Food and Drug Administration test requirements as specified in FDA Title 21CFR§177.1520 (c), the FDA requirement for polyolefin materials. The materials may be used as articles or components of articles intended for direct food contact on a repeated use basis. .

If you have any questions please contact the Rexnord Industries, Inc. Application Engineering office at 262-376-4800.

Sincerely,

Dean A. Wieting  
Product Engineering Manager – Rexnord Industries, LLC
