Rexnord California Proposition 65 Policy

Dear Valued Customer,

California's Safe Drinking Water & Toxic Enforcement Act of 1986, commonly known as Proposition 65, establishes a list of chemicals which the state of California's risk assessment process has determined to present a risk of cancer, birth defects or other reproductive harm.

The Proposition 65 chemical list can be found at:

Rexnord Corporation ("Rexnord") is committed to business practices, throughout its operations, that foster the health and safety of people. To that end, Rexnord has decided to label all North American Process and Motion Control products with the following approved warning, in compliance with California Proposition 65:
