

### Why Choose Rexnord?

When it comes to providing highly engineered products that improve productivity and efficiency for industrial applications worldwide, Rexnord is the most reliable in the industry. Our commitment to customer satisfaction and superior value extends to every area of our business.

### Delivering Lowest Total Cost of Ownership

The highest quality products are designed to help prevent equipment downtime, increase productivity and deliver dependable operation.

### Valuable Expertise

An extensive product offering is accompanied by global sales specialists, customer service and maintenance support teams, available anytime.

### Solutions to Enhance Ease of Doing Business

Our commitment to operational excellence means you benefit from getting the right products to the right place at the right time.

## Why Choose Genuine Falk Gear Parts?

### Optimum Performance

Keep your plants and production assets running strong. For superior performance in all power transmission equipment, Genuine Falk® Gear Parts are matched to original specification, tested, and specifically designed to rugged Falk and Rexnord quality standards.

### High-Quality Aftermarket Gears & Parts

Rexnord leverages more than 100 years of design and manufacturing expertise to provide high-quality Genuine Falk Gears and Parts that deliver full interchangeability. Our gear parts are ideal for all makes of gearboxes and gear equipment, including open gears, custom gear elements, and engineered upgrades.

### Worldwide Service

With Genuine Falk Gear Parts, Rexnord helps drive uptime for customers around the globe. Backed by an extensive network of distributors and select repair shop partners, these parts help customers keep their gear drives and power transmission systems operating like new.

### Trusted Expertise

Only Rexnord offers the advanced designs, genuine expertise, heritage and quality of Falk Gears and Drives to provide the highest quality parts and service.

### Industry-leading Turnaround Times

Rexnord manufactures original equipment, including high-quality gears, with industry-leading turnaround times. Through unique programs focused on shortened lead times, Rexnord can deliver gears and parts to meet your plant's needs.
