

Trust The Reliable Performance of Falk Gear Parts

OPTIMUM PERFORMANCE

Keep your production running strong. Genuine Falk® Gear Parts are matched to your original specifications, tested, and specifically designed to meet the rugged Falk and Rexnord quality standards for superior performance in all power transmission equipment.

HIGH-QUALITY GEARS & PARTS

Rexnord offers over 100 years of engineering expertise to ensure the high-quality Genuine Falk Gear Parts deliver full interchangeability. Our gear components are compatible with all makes of gearboxes and gear equipment, including open gears, custom gear elements, and engineered upgrades.

VALUABLE EXPERTISE

Our extensive product portfolio is accompanied by global sales specialists, customer service, and maintenance support teams, available anytime. With over a hundred years of experience and engineering skill, Rexnord is a name you can trust.

WORLDWIDE SERVICE

With Genuine Falk Gear Parts, Rexnord drives uptime for customers around the globe. Backed by an extensive network of distributors and select repair shop partners, Rexnord helps customers keep their gear drives and power transmission systems operating like new.

INDUSTRY-LEADING TURNAROUND TIMES

Rexnord manufactures original equipment, including high-quality gears, with industry-leading turnaround times. Through tested programs focused on shortened lead times, Rexnord can deliver gears and parts to meet your plant's needs.

Why Choose Rexnord?

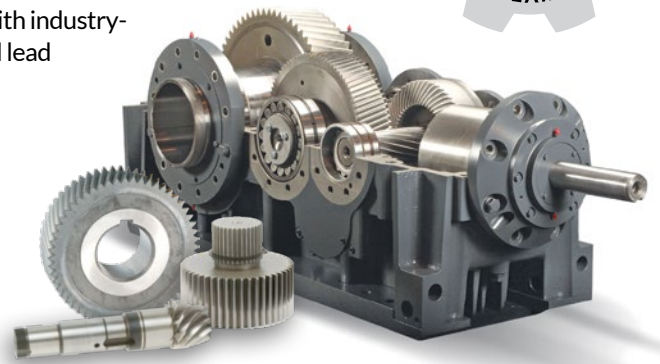

Rexnord is the most reliable provider of highly engineered products in the industry. We provide equipment to improve the efficiency, productivity, and reliability of industrial applications worldwide. Our commitment to customer satisfaction and superior value extends to every area of our business.

Delivering Lowest Total Cost of Ownership

Rexnord's high-quality products are designed to minimize and prevent equipment downtime, increase productivity and uptime, and deliver dependable operation. The results are a lower total cost of ownership for our customers.

Solutions to Enhance Ease of Doing Business

Our commitment to operational excellence means you benefit from getting the right products to the right place at the right time. We offer fast and precise service and delivery to help you avoid the cost of unplanned downtime.
